Cap Finish _____ Special Instructions _____

ORDER INFORMATION

Total Wheel Quote _____ Deposit _____

I acknowledge that Custom Shop wheels are special order wheels that are manufactured to my specific application and are non-returnable without exception. I further acknowledge that my only opportunity to cancel this sale order is within the first 15 days following the date of this order, and I agree to pay a 40% cancellation fee based on the total quoted sales price. I further acknowledge that after receipt of wheels if it is determined that there is a manufacturing defect of any wheel(s) my sole recourse is to notify Custom Shop immediately of alleged defect(s), to obtain a Return Authorization Number, and return said wheel(s) to Custom Shop for evaluation. If upon Custom Shop's evaluation, it is determined there is a manufacturing defect, Custom Shop will then either repair or replace defective wheel(s) at no cost.
